“The harsh reality of our times is that slavery still exists in its cruelest forms. SOLD is a reflection of our failures in society, polity, religions and constitutions. Let us be angry and let us use our anger to change the world...”

Synopsis

SOLD is a feature film adaptation of the globally acclaimed novel by Patricia McCormick.

Based on true stories, SOLD is the story of Lakshmi who journeys from a pastoral, rural village in Nepal to a gritty brothel/prison called 'Happiness House' in Kolkata, India.

Through one extraordinary girl's story, SOLD illustrates the brutality of child trafficking, which affects millions of children around the globe every year. Globally the average age of a trafficked girl is thirteen, the same age as the girl in the film. SOLD is a call to action, and a testament to the power and resilience of the human spirit.

Time For Equality, is a non for profit association based in Luxembourg. Our objective is to make a difference both within and across borders through advocacy and awareness raising. We believe in the power of storytelling and the arts to reach individuals.
